RE: APPLICATION FOR A CC&N TO PROVIDE COPT  
(DOCKET NO. T-04170A-03-0141)

On March 4, 2003, KPV Enterprises, LLC ("KPV") filed an application to obtain a Certificate of Convenience and Necessity ("CC&N") for customer owned pay telephone ("COPT") service. The Applicant indicated on its application that it will provide service in accordance with the rates, charges, terms and conditions contained within the COPT Generic Tariff.

Staff sent a data request to the Applicant on March 10, 2003, via certified mail. Staff did not receive a response to this data request. On August 2, 2005, Staff contacted KPV's President, Michael Gray, and informed him that Staff had not received a response to its March 10, 2003 data request. Mr. Gray stated that KPV had not received Staff's data request and requested that it be sent to him directly, via email. Later that day, Staff reissued KPV's first data request to Mr. Gray, via email. On October 14, 2005, Staff received KPV's response to Staff's data request. In its response, KPV submitted a copy of the customer information placard that will be affixed to all of KPV's payphones. Staff has reviewed the Applicant's customer information placard and concluded that it meets the terms of the Generic Tariff.

Staff believes that certain benefits in the form of increased pay telephone availability will accrue to the public and that the issuance of a CC&N is in the public interest. Therefore, Staff recommends approval of the application.
